FIRA GRAN VIA CC2

FIRA GRAN VIA - CC2

Fira Gran Via is one of the largest and most modern Exhibition and Conference Centre in Europe, and also one of the most highly-rated by organisers, exhibitors and visitors from all over the world.

Designed by Pritzker Prize Japanese architect Toyo Ito, it combines a spectacular appearance with respect for the environment and provides an efficient yet creative solution to the needs of exhibitors and visitors alike.

The venue covers an area of 198,500 m2 distributed among eight halls and three independent accesses.

CC2 is a conference center in Fira Gran Via Hall 2 with an auditorium of 465 people, 13 meeting rooms and 1.500sqm of spare area. As this conference center is connected to Hall 2.1, the spare area could increase to 5.000sqm.

HOW TO GET THERE

VENUE

Located just 3 kilometers from Barcelona’s historic city center, Fira Gran Via is ideally situated in a newly redeveloped business district. The expansive and modern venue is conveniently linked by the local public transport network to both the metropolitan downtown and nearby El Prat International Airport (12 km).

Its outstanding features include renowned architecture, modern functionality and commitment to sustainability. The venue comprises of an impressive rooftop photovoltaic installation stretching across its eight inter-connected pavilions. The inspiring South Entrance holds the acclaimed Nuclo Restaurant and leads exhibition visitors to the upper walkway. This free-flowing design both maximizes connectivity and gives exhibitors and visitors unparalleled access to Fira Gran Via’s cutting-edge event services and logistics capacity.

AIRPORT

Barcelona Airport handles more than 874 flights per day to 191 destinations (46 intercontinental) and over 49.9 million passengers per year in 2023. It is accessible directly from Fira Gran Via thanks to the Metro line 9 and 10, train and bus connections.

HOTELS

Barcelona city offers in 2023 more than 39,800 rooms in all categories. There are some 1,345 hotel rooms built already in a walking distance around the venue, increasing to more than 5,000 rooms within a perimeter of 3km.

TRANSPORT

Fira Gran Via is easy to reach by public transport. The venue has three Metro stations (L9 and L10) connecting the airport and the city center and it is also connected through FGC Regional Train to Barcelona downtown and surroundings. Barcelona has 10,500 taxis and attendees can easily find taxi ranks right in front of South, North and East accesses.
